

REGISTRATION FEE: \$30.00

Foundations of Communication

This course will explore many aspects of basic communication for school age students. Participants will complete some prerequisites online before the “live” portion. Anyone who works with students who need a basic communication system to meet their needs and wants (self contained teachers and speech language pathologists with whom they work, occupational therapists...) are encouraged to attend. Case histories will be used for participants to problem solve the complex communication needs of students who require some type of basic augmented communication system. Participants may also want to take the course Assistive Technology (AT) Solutions for Students with Communicative Impairment: Teaming for AT Success, as a companion to this institute.

Instructor(s): Lauren Holahan, (Lynn Makor), Perry Flynn & Laurie Ray

Participants will get .8 CEUs

Special Assistance: Any individuals requesting accommodations under the Americans with Disabilities Act should contact the support staff before the training.

****NOTICE****

Call support staff to add your name to the waiting list when institute becomes full.

If payment is not received by June 16, participants will be contacted by support staff via phone and email to confirm payment has been mailed.

On June 30, participants who are on the waiting list will be contacted to confirm attendance and reminded to bring payment to institute.
